

Decision Day Presentation

Senior Class
of 2022

Keeping Tabs On Classmates

For two years now, Danielle McGavisk, Newark High School Counselor and Department leader has assembled digital slideshow presentations to let not just other seniors, but the entire school community know what some of the graduating seniors will be doing after commencement.

Seniors that chose to participate were required to make their own slides announcing their future plans and McGavisk then made the slideshow that is set to music.

It can be seen here: <https://youtu.be/3mcbXOxxYVM>
