

Throughout the month of December, teachers and other staff at Perkins School have been dressing according to a holiday theme each Friday and paying \$1 each for the right to do so.

As of December 22nd, \$110 had been raised that is going to be given to the local Blessings In A Backpack program that provides eligible students at Kelley, Perkins and Lincoln Schools food bags on Friday afternoons to ensure they won't go hungry during the weekend.

The holiday-themed fundraiser was devised by the Perkins School Social Committee.

"Thanks so much to everyone who participated! What an awesome and fun way to give back to our students this holiday season," said Liz Weiermiller, Perkins School instructional coach who is a member of the school's Social Committee.
