

## Kelley School PTA Winter Clothing Drive Will Help Keep Some Area Residents Warmer

The Kelley School PTA recently collected winter clothing items and more and delivered them to the Newark Food Closet December 20th.

During the three-week clothing drive at the school, 102 items including coats, snow pants, sweatshirts, hats, gloves, scarves, mitten sets, boots, socks and more in all sizes were collected.

PTA president Michele DeYulio delivered the items to Lisa Barrett and Becky Jandreau \_ co-chairs of the Newark Food Closet located in the basement of Newark Emmanuel United Methodist Church at 301 E. Miller Street.

“We are so very appreciative of all that the Newark School District does for the Newark Food Closet,” said Barrett, noting these most recent gently-used and new donations will help keep many people safe and warm this winter season.

“The Kelley School PTA is very happy we received so many donations and that they will help people in our community during the winter,” DeYulio said.

Thanks To Michele DeYulio for providing information and graphic.
