

# SCORING IN THE CLASSROOM AS WELL

## Newark High School 2018-19 Fall Athletic Teams Given Scholar Athlete Status By State Association

Eleven Newark High School Winter teams have qualified for scholar athlete team status.

The recognition is given by the New York State Public High School Athletic Association to varsity athletic teams that collectively achieve averages of 90 or better.

“Education-based athletics provides the culture and environment for young people to thrive,” said Chris Corey, Director of Health, Physical Education and Athletics for the Newark Central School District. “Our scholar-athlete winners are the personification of this. Congratulations and thank you to our scholar-athletes and teams, and to the

coaches, teachers, and parents who help our young people become the best versions of themselves.”
