

SCORING IN THE CLASSROOM AS WELL

Newark High School 2020-21 Fall Athletic Teams Given Scholar Athlete Status By State Association

Six Newark High School Fall teams have qualified for scholar athlete team status.

The recognition is given by the New York State Public High School Athletic Association to varsity athletic teams that collectively achieve averages of 90 or better.

"In normal times, it is difficult balancing the demands of being both a student and an athlete. For these teams, athletes, and coaches to demonstrate such excellence during a pandemic is remarkable and inspiring," said Chris Corey, Director of Health, Physical Education and Athletics for the

Newark Central School District. "Congratulations and thank you to all of our scholar-athlete award winners who continue to take steps to become the best versions of themselves, despite the circumstances. It is truly what being a great teammate and a Newark Red is all about."
