

Newark Central School District Recognized For Tenth Year As One Of The Best Communities For Music Education

For the tenth consecutive year, the Newark Central School District has been designated as one of the Best Communities for Music Education in the United States by the NAMM (National Association of Music Merchants) Foundation.

Now in its 23rd year, the Best Communities for Music Education designation is awarded to districts that demonstrate outstanding achievement in efforts to provide music access and education to all students. To qualify for the Best Communities designation, the NCSDD answered detailed questions about funding, graduation requirements, music class participation, instruction time, facilities and support for the music programs. Responses were verified with school officials and reviewed by The Music Research Institute at the University of Kansas.

"We are once again are fortunate enough to be recognized for the amazing music program that we have here in the Newark

School District," said Cindy Briggs, K-12 Music Department Leader. "Thank you to the NCSDD Administration for their ongoing, faithful continued support of Music in our Schools!"

The award program recognizes outstanding efforts by teachers, administrators, parents, students and community leaders who have made music education part of a well-rounded education. Designations are made to districts and schools that demonstrate an exceptionally high commitment and access to music education.

It also recognizes the NCSDD is leading the way with learning opportunities as outlined in the Every Student Succeeds Act (ESSA). The legislation guides implementation in the states and replaces the No Child Left Behind Act (NCLB) which was often criticized for an overemphasis on testing-while leaving behind subjects such as music. ESSA recommends music and the arts as

important elements of a well-rounded education for all children.

Palmyra-Macedon Central School District in Wayne County also received the designation, as did the Honeoye Falls-Lima Central in Ontario County.

Nine Monroe County school districts _ Brighton Central, East Irondequoit Central, Churchville-Chili Central, Penfield Central, Pittsford Central, Rochester City School District, Rush-Henrietta, Webster Central and West Irondequoit _ also received NAMM's BCME designation.

Research into music education continues to demonstrate educational/cognitive and social skill benefits for children who make music.

Briggs commended the entire music department staff for its great work. The staff and their responsibilities include:

- **Robert Humphrey:** NHS instrumental music teacher who directs Concert Band, Wind Ensemble, Jazz Band and "Fusion." He also gives instrumental lessons.
