

# Perkins Holiday Fundraiser

Blesses

During the last four weeks, teachers and other staff at Perkins School have worn different holiday themed outfits each Thursday and paying \$1 each for the privilege.

Here's what they wore:

- November 29: Christmas Socks
- December 6: Candy Cane Day (wear red and white)
- December 13: Ugly Holiday Sweater
- December 20: Holiday Accessories

Each Thursday when participating staff gathered in the school foyer at 8:30 a.m., a photo was taken, a holiday game was played and prizes were awarded.

As of December 21st, \$84.50 had been raised that is going to be given to the local Blessings In A Backpack program. It provides eligible students at Kelley, Perkins and Lincoln Schools food bags on Friday afternoons to ensure they won't go hungry during the weekend.

The holiday-themed fundraiser was organized by the Perkins School Social Committee and facilitated by Liz Weiermiller, Perkins School instructional coach and member of the school's Social Committee.

"Thanks so much to everyone who participated! What an awesome and fun way to give back to our students this holiday season," Weiermiller said.
