

It may still be fall, but it's not too early to mark important dates on our holiday calendars. And here's one we won't want to forget.

On Friday, December 1<sup>st</sup>, the Newark Central School District, in conjunction with the Greater Newark Chamber of Commerce, will once again host an evening of holiday music with the wonderful Rochester Philharmonic Orchestra in the Newark High School.

It's a great way to see and experience the RPO right here in Newark, at a fraction of the price you'd pay to see this phenomenal orchestra in Rochester.

Before the concert, the Newark Music Boosters will sponsor a pasta dinner in the cafeteria and music will be provided by the NHS Jazz Ensemble in the gymnasium.

These provide our community with an enjoyable and relaxing beginning to the holiday season each year.

More information about the conductor and artists will be forthcoming in the weeks ahead, but right now it's important just to set aside that date and time and plan on a memorable night out right here in Newark.

Admission to the RPO concert is \$5 for students, \$10 for senior citizens and \$12 for adults. Prior to the event, tickets will be available at Newark Wegmans and at the Newark and Lyons branches of Lyons National Bank.

Pre-sale pasta dinner tickets will be available at Newark High School and at Newark Wegmans.
