Every Student, Every Day

July 9, 2021

Dear Summer School Staff, Parents / Guardians,

We received new guidance from the New York State Department of Health regarding COVID-19 masking protocols for schools. This is regarding **Summer School only** and it is effective immediately. We are still awaiting protocols for the Fall.

Consistent with the current CDC guidelines on summer camp activities the following will be in place for all summer school activities located inside the Newark Central School District buildings:

- ✓ Mask wearing is strongly encouraged but not required by children in school settings (parental choice)
- ✓ Unvaccinated adults / staff are required to wear masks
- ✓ Masks are required to be worn on school buses by any individuals not fully vaccinated
- ✓ Masks are not required outdoors

We strongly encourage families to keep children at home if they are not feeling well. Please note that daily health screenings are still required for any individuals entering Newark school buildings and all Summer School employees should be completing the Newark COVID Survey daily. Moving forward, we will continue to follow guidance from the Department of Health and will keep you updated on any changes.

Have a safe and enjoyable summer!

Sincerely,

Susan M. Hasenauer
Superintendent of Schools
