Every Student, Every Day

July 27, 2021

Dear Parents / Guardians,

If your child(ren) will require transportation for the upcoming 2021-22 school year, we are requiring that you complete a Transportation Form due to transportation limitations. **We ask that you complete this form no later than August 6th please.**

Once again this year all elementary students (UPK-5) that reside within .5 mile of their school and any Middle / High School students that reside within 1 mile of their school will be walkers.

If your child(ren) will not require transportation, a form does **NOT** need to be filled out and they will not be scheduled for transportation.

If at some point during the school year you need to change your current transportation arrangement, we will need you to complete an updated Transportation Form and someone from the Bus Garage will notify you when this change can be effective.

You can get your Transportation Form filled out in the following ways. You can fill out an electronic form via this link: <https://www.newarkcsd.org//cms/module/selectsurvey/TakeSurvey.aspx?SurveyID=325>

- ✓ You can obtain a hard copy form from our website here:
https://www.newarkcsd.org/cms/lib/NY01000239/Centricity/Domain/56/Transportation_Application%20fillable%20pdf.pdf
- ✓ Or you can come into our District Office to fill out a form (100 East Miller Street, 4th Floor)

If you have any questions regarding this information, please contact the Bus Garage at (315) 332-3330.

Sincerely,

Sheila Dittmar
Director of Transportation
