February 28, 2019

Dear Newark CSD Families,

This year, Newark Middle School's National Junior Honor Society, as well as the Family and Community Engagement Program, organized a winter apparel (winter coats, sweat shirts, hats, gloves, scarves and boots) for local students and families in need. We have received over three-hundred winter related items over the course of two months!

So, now what? If you or your family are in need of winter apparel, please contact Julia Rodriguez, *Family Outreach Coordinator*, or Stefan Uveges, *National Junior Honor Society Advisor*, to schedule a time to pick up items you may need. Items will be on a first come, first serve basis.

If you have any questions, please feel free to reach out to Julia Rodriguez or Stefan Uveges.

Thank you,

Julia Rodriguez
Family Outreach Coordinator
