Re: Superintendent Search Survey

The Newark Central School District Community is invited to participate in the Superintendent Search Survey.

An important step of a superintendent search process is collecting feedback from different stakeholder groups. We are asking that students, staff, parents and community members complete the Superintendent Search Survey. Please join us in providing your feedback to the Newark Board of Education (BOE) on the desired qualities of your next school superintendent. The BOE will use this information to choose the next superintendent of schools.

The Superintendent Search Survey can be accessed from **November 16 - 28, 2020** at <https://bit.ly/3plr5P3> or www.wflboces.org/newark.

Any questions regarding the Superintendent Search Process should be directed to the Wayne-Finger Lakes BOCES District Superintendent, Dr. Vicky Ramos, Search Consultant at 315-332-7284.
